Dear Mr. Brashear:

Thank you for issuing our life driving licenses during our Merit Badge Madness which took place last week at Lifetime Fitness in Woodstock, Georgia; hosting nearly 200 Boy Scouts and their families and leaders - with 66 scouting units, 26 Districts, 9 Councils, and 3 states participating in the event. Your message was right on target and we trust you were able to get the word out to a larger audience about the good work your organization does for our youth. We hope you received many good comments and garnered support for your operation. For our boys, it was a great example of service in action...

Thank you again for making the day a successful one...

Sincerely,
